Dear Fifth Avenue Family and Friends,

Fifty years ago my family and I moved to West Bend the last week of October. The following Sunday we walked into Fifth Avenue for the first time and knew we'd found our new church family. Throughout the years, with the help of the churches ever changing family, we developed new friendships and grew our faith and love of Jesus.

As I think back, each new path God laid before me made me hunger for more. All were growing learning experiences. Many were filled with fun and joy while others were trying or filled with sadness. No matter what, I knew as my church family and friends, I could reach out to you to share a laugh or get a hug of comfort.

Recently God laid a new path before me and by the time you read this I will have moved to Colorado. My new home is 5 miles from my daughter and her family. Although I will truly miss you and you will always have a special place in my heart, I'm looking forward to being close to Robin and see what plans God has for me as He and I travel together down this new path.

God's blessings, Karen Bowes

Christmas Angel Tree

This year we will again be participating in the Gingerbread House Christmas gift giving project. They are anticipating an even greater need than ever before.

I'm sure you are used to hearing this phrase but here it is again - "due to Covid 19" our Angel Tree program will look different. To minimize contact I will be doing the shopping and the wrapping. Please send your monetary donations marked "Angel Tree" to the church office. The **deadlines** have all been moved up so that they can space out the pick up times. **Please, send your donations by Friday, November 20. Checks may be made payable to: Fifth Avenue United Methodist Church.**

As always, this is a very practical way we can share God's love with those in need in our community.
